SUPPLEMENT TO PETITION TO ENLARGE ISSUES

Janice M. Scantland, through her counsel, herein supplements her Petition to Enlarge Issues filed June 4, 1993.

Through this supplement, Ms. Scantland submits the declaration of Randy L. Ness, who took the photographs of the tower and transmitter building of WCFL(FM), Morris, Illinois, included as Exhibit CC of her enlargement petition. The photographs depict the absence of a fence, anti-climb devices or warning signs. Mr. Ness' attached declaration verifies that he took the photographs and that on the basis of his personal observation: (a) there is no fence around the WCFL tower; (b) there is no anti-climb device on the WCFL tower; and (c) there are no warning signs of any sort on the tower or the adjacent transmitter building.

Acceptance and consideration of this supplement will in no way prejudice competing applicant Robert G. Casagrande. Mr. Casagrande recently was granted a motion for extension of time to June 28, 1993 in which to respond to Ms. Scantland's petition. Order, FCC

WHEREFORE, In light of all circumstances present, this Supplement should be ACCEPTED and CONSIDERED in connection with Scantland's Petition to Enlarge Issues filed June 4, 1993.
